

The practice of
UNWHELMING

It's all just so...overwhelming!

Honoring the unique challenges of women in business

Face your feelings

Acknowledge the role of emotion in business

Slow down to speed up

Start where you are with honest inventory

Find your Focus

Strategic planning doesn't have to suck

Systems and Solutions

Streamline your systems, tame your time

Who can help and how?

Accountabilibuddies and outsourcing

Staying Unwhelmed

Busy is not productive
